

Costa Rica

2006

Dear

I am writing this letter to communicate a wonderful activity we are participating in this summer. Our church is taking a mission trip to Tamarindo, Costa Rica, July 21- 30 . We will be helping to build a medical clinic, repairs to homes, painting a school, providing medical/dental services, health presentations, clothing, vacation Bible school, English tutoring as well as lots of friendship evangelism.

The mission of our trip is best stated in Ministry of Healing, page 143,

“The world needs today what it needed nineteen hundred years ago--a revelation of Christ. A great work of reform is demanded, and it is only through the grace of Christ that the work of restoration, physical, mental, and spiritual, can be accomplished.

Christ's method alone will give true success in reaching the people. The Savior mingled with men as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, "Follow Me."

We solicit your prayers as we venture out on our comfort zone into this excursion for the Lord. We are really excited about this life-changing opportunity for all those involved.

We have a lot of work to get ready for all facets of this trip. One of the biggest hurdles ahead is to raise all the funds necessary for our travel, lodging, food and mission materials. We have some fund raiser events planned, but that alone will not help us reach our individual goal of \$1350.00 . We would like to give you the privilege to make a donation towards this mission endeavor as well. If you feel impressed to give toward this, we can accept a check written out to the Apopka SDA Church, 340 Votaw Rd., Apopka, FL 32704 Attn: Scott Shelton Your can obtain more information regarding our mission work at 407-889-2812 or visit our web site at <http://www.apopkaadventist.com/mission.htm>

We thank you for your consideration and pray the Lord richly blesses you for your gift of prayers and / or money towards helping the wonderful people of Costa Rica.
